

BICM109 PREPARING FOR CHRISTIAN MINISTRY

INTRODUCTION

It is important that we understand the particular calling that has been placed upon us. Within that calling God desires us to become people of excellence. When we allow excellence to come forth we will find ourselves becoming people of integrity.

As we begin this study, let us do so with an open mind and heart, allowing God to reveal to each of us our calling. So many want to start in the ministry without being prepared, but preparation is a necessity.

Let all of us allow the Spirit of the Lord to prepare us for ministry as He wills. God will give victory to us as we walk in our individual callings and bring glory to God.

This course will help students discover their calling and inspire them to place their God given gifts at the Lord's disposal. Principles of biblical vision and spiritual leadership are covered so as to help students become powerful servants of the Almighty.

Upon completion of this course, students will be able to:
