

CF106 STRATEGIES FOR SPIRITUAL HARVEST

INTRODUCTION

The Bible states in Proverbs 29:18, *"Where there is no vision, the people perish."*

All over the world there are born-again believers who are perishing. No...they are not perishing in sin. They have accepted salvation through Jesus Christ. They attend church services, read the Bible, and may even be leaders in the church.

But they are dying spiritually. Their lives as believers are routine. There is no spiritual excitement. They have no goal or purpose. They have no vision. The vision of which we speak is not what is visibly seen. It is not natural vision. It is a spiritual vision.

- If you feel empty spiritually...
- If you long to be used by God, but do not understand your part in His plan...
- If you feel there is something more to Christianity than the routine into which your life has fallen...

The vision is your answer!

God is taking spiritually dead men and women and making them spiritually alive. The vision is providing new meaning and direction for living. It is uniting the Body of Christ, the true Church, in common purpose. That vision is the subject of this course, "Strategies for Spiritual Harvest." The course will lead you through four steps to achieve the vision:

- **Visualization:** In which the vision will be identified.
- **Conceptualization:** In which you will learn the concept of purpose behind the vision.
- **Objectification:** In which you will learn objectives for fulfilling the vision.
- **Expectation:** In which your expectations will be fulfilled as you become part of the vision.
