

CF518 MANNERS AND CUSTOMS OF BIBLE LANDS

INTRODUCTION

Through this Course, students will learn about the manners and customs of Bible Lands. Some of the topics that will be studied include The Dwelling places, the food and ways in which they prepared and ate, the attire which was worn, detailed family life, marriage customs, the care of the people, livestock, land, property, trading customs, traveling, and slavery. As you take a deep dive through the greater depth of each of these 31 Lessons, you will quickly see the Bible come to life in brand new ways as you grow to understand the way in which they lived and their manners and customs.
