

MAB062 PAULINE THEOLOGY II

INTRODUCTION

This course is Part Two of Pauline Theology I; intended to explain Paul's theological grid; to show students Paul's methods so they can better understand his teaching when reading his letters. It will simplify the process of reading and understanding Paul to able to preach and teach Paul to others.

The course will also prepare students to be able to write a commentary on Paul's letters and will assist students to prepare their papers in the areas of biblical theology, systematic theology, and New Testament studies.

This course is divided into eight lessons discussing the nature and implications of the new creation.

Learn more by purchasing the entire course that covers the following topics:
